

ACADEMIC APPEAL FORM (Formal Stage)

You should complete this form if you want to formally raise concerns about an academic decision, including your ratified academic results or any circumstances that you believe may have affected your academic results. If the issue you are concerned about is more generally related to academic matters but not academic results, you should use the Student Complaints Procedure (available on the College intranet and the College).

Before completing this form and beginning formal procedures, you should first have attempted to resolve the matter informally (also referred to as early resolution). Support and advice is available from a number of sources – try speaking to your tutor or course leader. Student Support Services will also provide confidential and independent advice.

To begin the formal procedure, complete this form as indicated in each section. You will need to provide details of your attempts at early resolution and attach all evidence relevant to your appeal. If you have any concerns or queries about filling in the form, the people mentioned above will be pleased to discuss these with you.
