A Message from the Interim Chief Executive Officer

At UK Management College, we believe every person deserves the opportunity to build a successful future through higher education.

Our partnerships with leading UK universities allow us to offer high quality, career focused degree programmes that combine academic learning with the practical skills employers value. These partnerships give students access to recognised qualifications, industry relevant teaching and clear progression routes into employment or further study.

UKMC is committed to helping students develop confidence, independence and professional ambition. Through academic support, career guidance and an inclusive learning environment, we help students prepare not only for university success, but also for the world of work.

Our exciting programmes in business, digital marketing, health and social care, psychology, events and fashion are designed around growing industries and future career opportunities. Students are encouraged to build communication, teamwork, leadership and problem solving skills throughout their journey. As you explore this portfolio, I hope it provides a clear understanding of UKMC's programmes, supportive learning environment and commitment to preparing students for successful careers.

We look forward to working with your school and supporting your students as they take their next steps and ambitions into higher education.

Professor Jason Powell, PhD.
Interim Chief Executive Officer
UK Management College

About UKMC

Mission

We strive for excellence in education by fostering an inspiring and inclusive environment through partnerships with universities, maximising the potential of our community to make meaningful contributions in their fields.

Vision

At UK Management College, we aim to unlock infinite possibilities by nurturing every individual's potential, creating an inclusive environment where dreams become realities.

Our Values

What We Stand For

At UK Management College, our core values define who we are and what we strive for.

- We value the student experience and student support.
- We promote inclusivity, diversity and equity.
- We work with innovation.
- We behave with respect.
- We expect integrity led professional behaviour.
- We foster environmental sustainability and social responsibility.
- We engage with the communities that we serve through community leadership.

LEADERSHIP TEAM

Dr Muhammad Naeem is the Chief Academic Officer of UKMC. He boasts two doctoral degrees from the University of Worcester and the University of Gloucestershire. He trains personal academic tutors to effectively support and advance students' careers, aligning staff development with the college's overarching values. His collaborative efforts with the senior leadership team drive the college toward progress, maintaining its role as a beacon of knowledge, inclusivity, and opportunity.

Dr Muhammad Naeem **Chief Academic Officer**

Professor Joe Sweeney is Associate Provost at UK Management College. A first generation university graduate, he studied Chemistry at Imperial College and completed a DPhil at Oxford. He has held senior academic roles across the UK and published over 100 research outputs. Joe is committed to widening access to education and helping people transform their lives through learning.

Professor Joe Sweeney **Associate Provost**

Dr Amy Bywater is Associate Dean for Educational Quality, Student Experience and Academic Performance at UK Management College, leading academic quality, inclusive practice, student experience, and the delivery of teaching and learning.

Dr Amy Bywater **Associate Dean**

Dr Godfred Osei is Assistant Dean at UK Management College, bringing together academic leadership, industry experience, and a passion for student success. With over a decade in higher education and seven years in corporate leadership, he is committed to academic excellence, inclusive learning, and staff development. Outside academia, he has over 24 years' experience as a professional football referee with the Manchester Football Association, bringing leadership, fairness, and discipline to both education and sport.

Dr Godfred Osei **Associate Dean**

Student Stories

"Studying at UKMC has given me a real insight into today's business world and introduced me to great people along the way. The flexible learning model has made it easy to balance my studies while gaining practical knowledge for my future career."

Łukasz Romiński
BA (Hons) Business Management

"Returning to education was a big step, but UKMC made the journey rewarding. The support from my lecturers helped me build confidence, develop valuable digital skills, and grow both personally and professionally while balancing my commitments."

Viktorija Vitkauskaite
BA (Hons) Business Management

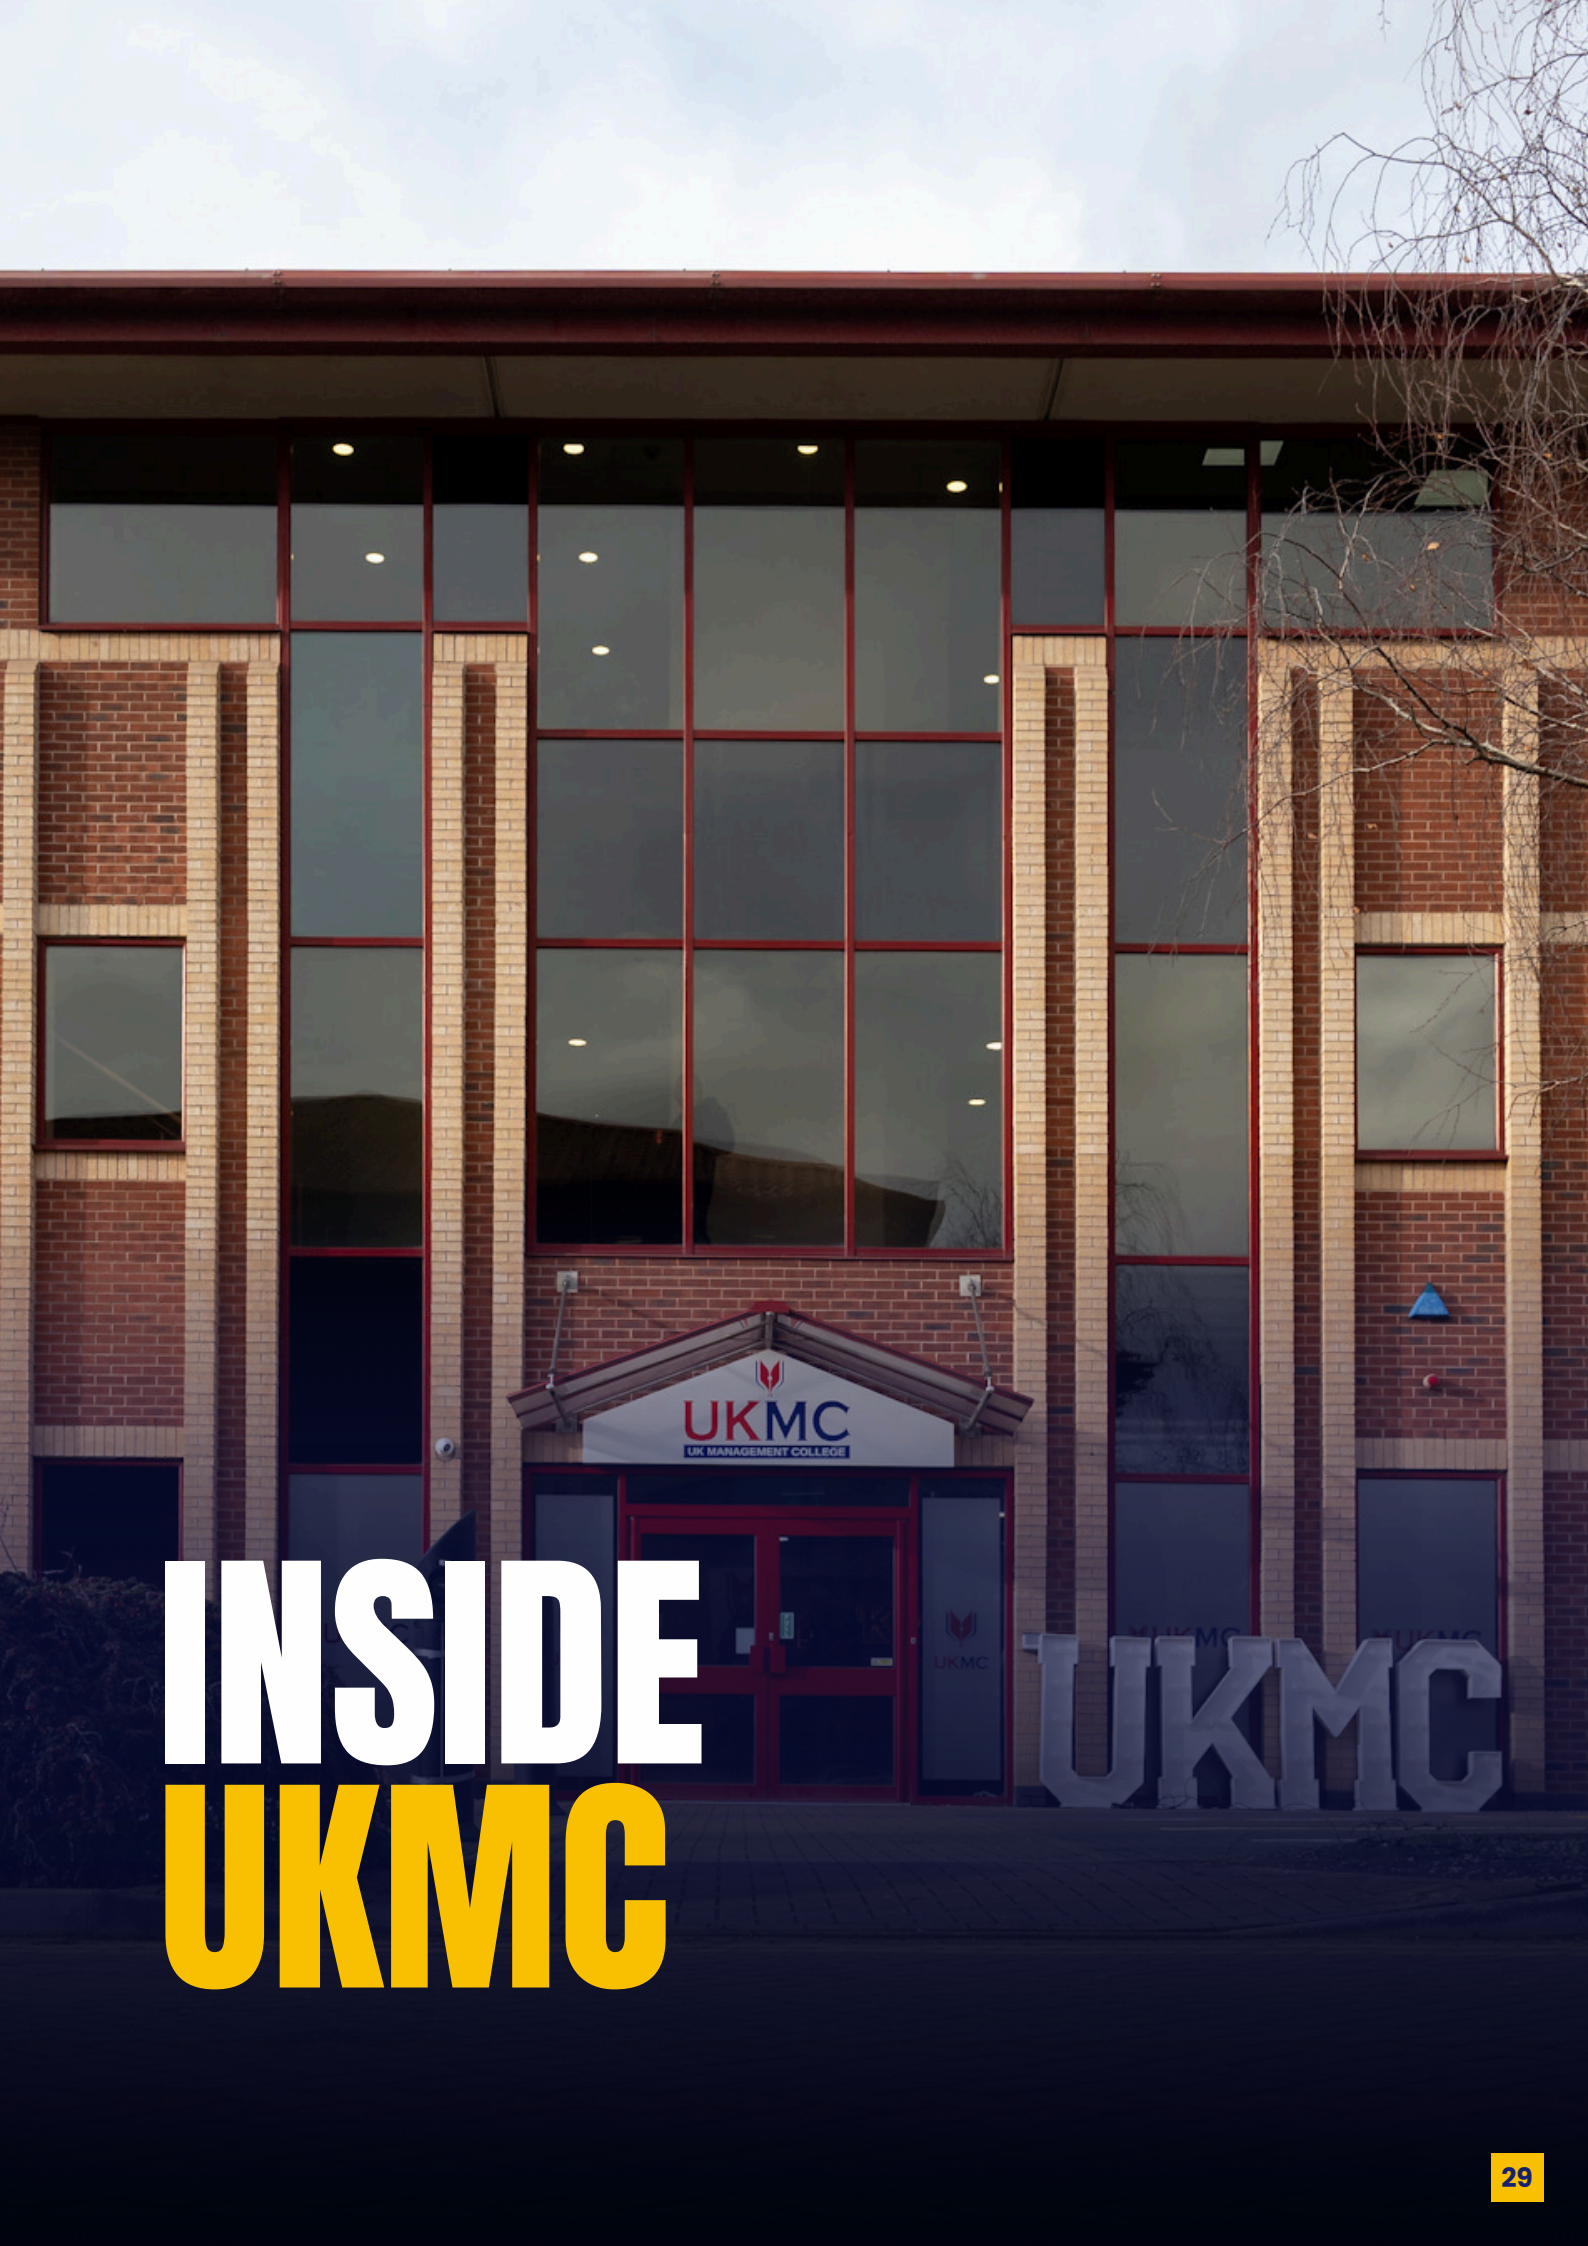

"UKMC has given me the practical marketing skills to support and grow my own business. The flexible learning, engaging course content, and supportive lecturers have made studying both enjoyable and rewarding."

Haseeb Hanif
BA (Hons) Digital Marketing Management

"I've always been passionate about how digital platforms connect people and businesses. Studying at UKMC has helped me turn that passion into practical skills while giving me the confidence to grow, keep learning, and prepare for a career in digital marketing."

Audrone Salnaite
BA (Hons) Digital Marketing Management

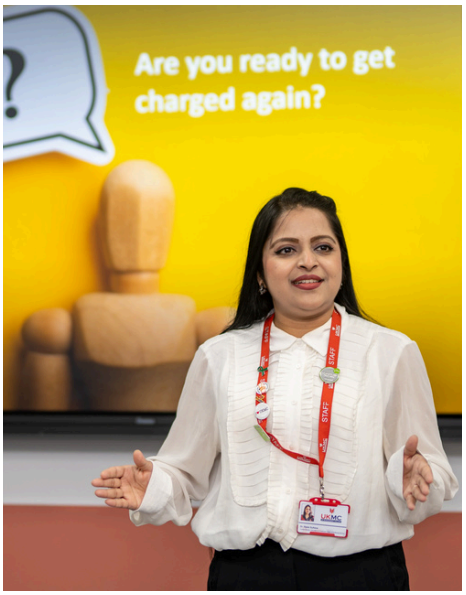

INSIDE UKMC

Wellbeing Support

Wellbeing is at the heart of UKMC. Across all our campuses, dedicated support services help every student & staff member feel supported, confident and ready to succeed.

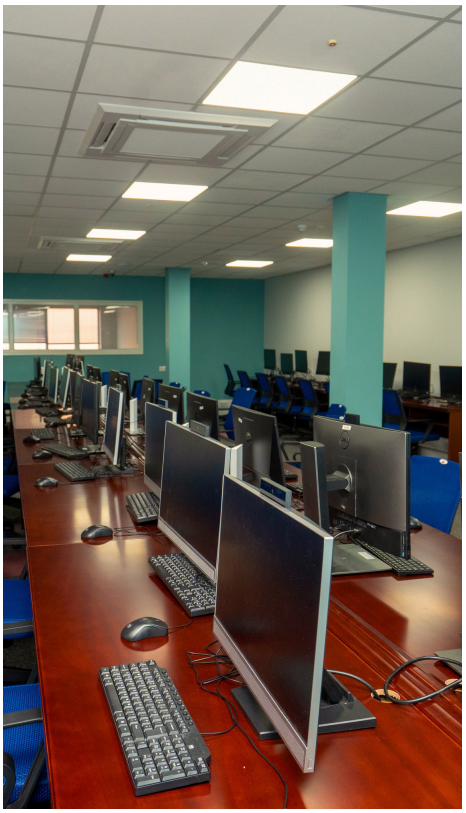

IT Support

UKMC's highly skilled IT team provides dedicated support across all campuses, ensuring reliable technology, seamless connectivity and prompt assistance for students and staff.

Our secure IT infrastructure and robust cybersecurity framework protect data while providing a safe, reliable environment for learning, teaching and collaboration.

Personal Academic Tutors

At the heart of every student's journey is our dedicated Personal Academic Tutor (PAT) team. Providing personalised academic guidance, encouragement and ongoing support, they play a vital role in helping students achieve their goals and succeed at UKMC.

Based across all UKMC campuses, every student is assigned a dedicated PAT who offers continuous guidance, ensuring support is always close at hand throughout their academic journey.

Library

UKMC's libraries provide welcoming study spaces across all campuses, complete with quiet reading areas, computer workstations and comfortable environments designed to support focused learning.

Students also have access to a comprehensive e-library, offering a wealth of digital resources anytime, anywhere.

Events & Celebrations

Events and celebrations are an important part of life at UKMC, bringing our community together throughout the year. From the annual Summerfest and cultural celebrations to graduation ceremonies and campus events, students have plenty of opportunities to connect, celebrate achievements and create lasting memories.

Games & Sports

From chess and carrom to pool and table tennis, UKMC's games and sports create opportunities for students to connect, compete and have fun beyond the classroom.

Every tournament celebrates teamwork, friendly competition and sportsmanship, helping students build confidence, lasting friendships and memories that extend far beyond the final game.

Friendly competition is a key part of the UKMC experience, encouraging students to challenge themselves while supporting one another.

Whether competing in chess, carrom, pool or table tennis, every match strengthens teamwork, builds confidence and creates lasting memories both on and off the board.

CAREER READY FROM DAY ONE

BUILD SKILLS FOR THE FUTURE

Our courses are designed around the needs of today's industries, giving you practical knowledge alongside transferable skills such as leadership, communication, teamwork, problem solving and critical thinking. You'll graduate ready to adapt and succeed in a changing world of work.

LEARN THROUGH REAL WORLD EXPERIENCE

From live projects and case studies to industry focused assignments, you'll apply what you learn to real business and professional scenarios. This practical approach helps you build confidence while developing the skills employers expect.

DEVELOP INDUSTRY RELEVANT KNOWLEDGE

Whether you're studying Business, Digital Marketing, Event Management, Fashion Management, Psychology or Health & Social Care, you'll explore current industry trends, digital technologies and professional practices that prepare you for graduate careers.

CAREER SUPPORT EVERY STEP OF THE WAY

Our Careers and Employability Team provides guidance throughout your studies, helping you develop your CV, improve interview skills, search for opportunities and plan your next career step with confidence.

Career Fair

The UKMC Careers Fair brings together employers, industry experts and students for a day of networking, career exploration and professional development. From panel discussions to mock interviews, students gain practical advice and valuable insights to help shape their future careers.

OUR LOCATIONS

UKMC has grown from a single campus in Manchester into a thriving higher education community spanning Manchester, Salford, Derby, Newcastle and Sunderland. Each location has its own unique character, while sharing the same commitment to delivering outstanding teaching, exceptional student support and an inspiring learning experience.

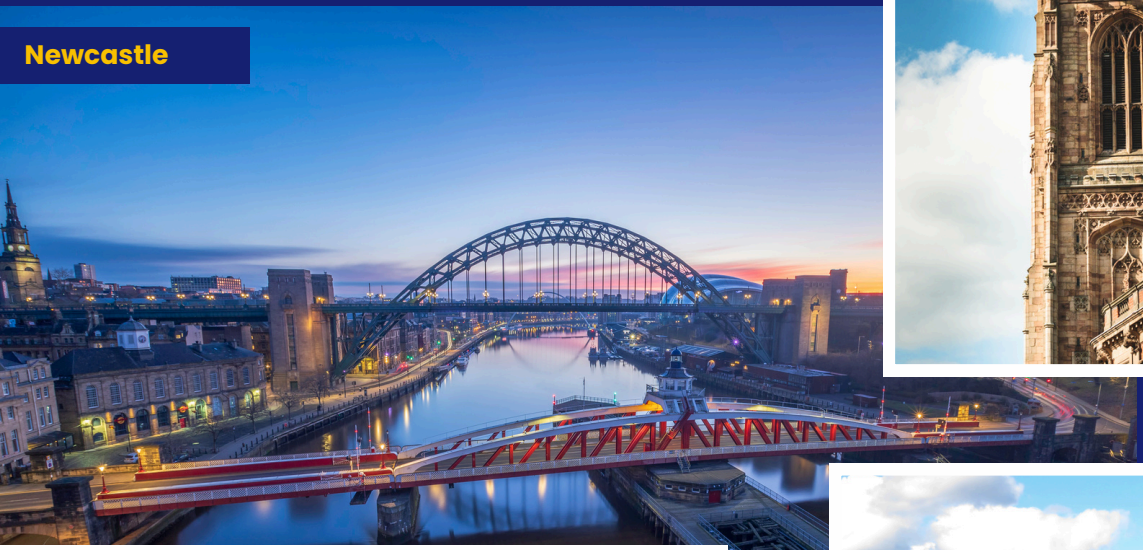

ONE COMMUNITY

Whether studying in Manchester, Salford, Derby, Newcastle or Sunderland, every UKMC campus shares the same welcoming spirit. Wherever your journey begins, you'll find inspiring spaces, dedicated support and a community that helps you grow with confidence.

MANCHESTER CAMPUS

Manchester has always been at the heart of the UKMC journey. Our campuses bring together students from diverse backgrounds, creating a vibrant community where learning, collaboration and ambition thrive.

COLLEGE HOUSE

As the home of UKMC's higher education journey, College House combines traditional character with a welcoming learning environment. It has witnessed many milestones and continues to be a place where students build knowledge, confidence and lifelong connections.

ABARNA CAMPUS

Located in the heart of Manchester, Abarna Campus offers a dynamic learning environment with contemporary facilities, collaborative spaces and easy access, providing students with an inspiring place to learn and grow.

TWO CAMPUSES, ONE COMMUNITY

Together, College House and Abarna Campus reflect UKMC's growth in Manchester, offering welcoming spaces where students can learn, connect and succeed.

SALFORD CAMPUS

Situated in the heart of Salford, our campus offers a modern learning environment where innovation, collaboration and student success come together. Designed to inspire, it provides welcoming spaces that support every stage of the academic journey.

SPACES THAT INSPIRE

Every classroom at UKMC is designed to inspire learning, combining modern technology, collaborative spaces and welcoming study areas that help students achieve their best.

WHERE COMMUNITY THRIVES

Beyond the classroom, our campus café and cosy lounges are where conversations continue, friendships grow and students take a well deserved break before the next chapter of their day

STUDY. DISCOVER. SUCCEED.

Our library and study spaces offer a quiet place to focus, discover new ideas and turn ambition into achievement.

DERBY CAMPUS

Life in Derby has its own rhythm. A welcoming city with a close knit community, beautiful green spaces and a rich industrial heritage, it offers students the perfect balance of focused learning and everyday comfort. With everything close at hand, it's easy to explore the city, build meaningful connections and feel at home from day one.

TWO CAMPUSES, ONE COMMUNITY

Situated in the heart of Derby, our two campuses offer more than just a place to study. Here, every lecture, conversation and shared moment brings people closer together.

Surrounded by the city's welcoming atmosphere, students build lasting friendships, grow in confidence and become part of the UKMC family.

BEYOND THE CLASSROOM

From modern classrooms and well equipped learning spaces to quiet libraries and welcoming common areas, every corner of our Derby campuses is designed with students in mind. Whether focusing on studies, collaborating on projects or relaxing between lectures, these spaces create a warm and inspiring environment where learning and friendships flourish.

MORE THAN A CAMPUS

Derby marked an exciting milestone as UKMC's first campus beyond Manchester, opening the door to a new chapter of growth. More than classrooms and study spaces, it is where strangers become friends, confidence grows and everyday moments become lifelong memories. Here, every conversation, celebration and shared experience adds another chapter to the UKMC story.

NEWCASTLE CAMPUS

Newcastle is a city full of energy, character and opportunity. Famous for its warm hospitality, vibrant student life and iconic riverside, it offers the perfect blend of academic focus and exciting city experiences. At UKMC Newcastle, students become part of a welcoming community where learning, friendships and unforgettable memories come together from day one.

SPACES THAT INSPIRE

From bright classrooms and a spacious auditorium to quiet libraries and cosy student lounges, every corner of UKMC Newcastle has its own story. It's where ideas are shared, friendships are built and every day brings new opportunities to learn, connect and grow.

OUR NEWCASTLE COMMUNITY

In Newcastle, every smile, conversation and shared experience brings our community closer together. Students from different backgrounds come together to learn, support one another and create lasting friendships, making UKMC a place where everyone feels they truly belong.

SUNDERLAND CAMPUS

There is something special about life in Sunderland. From peaceful seaside walks and open green spaces to its warm community spirit, the city offers a calm and welcoming environment where students can feel settled, stay focused and enjoy every step of their journey. At UKMC Sunderland, that sense of belonging begins the moment you arrive.

SPACES TO CONNECT

From quiet study spaces and libraries to common areas, games spaces and the campus café, every corner of UKMC Sunderland is designed for learning, connection and community.

MODERN LEARNING

Our spacious classrooms are equipped with the latest technology and modern teaching facilities, creating an inspiring environment where ideas are shared, collaboration thrives and every lesson prepares students for success.
